

ORIENTATION AND RECRUITMENT REPORT
NATIONAL SERVICE SCHEME
NSS UNIT/KGEC: KALYANI GOVERNMENT ENGINEERING COLLEGE
Held: 19 & 20 January, 2026

Day 1: NSS Orientation Programme – 19th January 2026

The **National Service Scheme (NSS) Orientation Programme** of **Kalyani Government Engineering College** was successfully started on **19th January 2026** in presence of the respected Principal and the NSS Program Officers of Kalyani Government Engineering College. The programme was organized with the primary objective of introducing first-year students to the **aims, structure, values, and social relevance** of the National Service Scheme, a flagship initiative of the **Ministry of Youth Affairs and Sports, Government of India**. The event began with a **formal welcome address** followed by the **ceremonial honouring of the dignitaries**. During the orientation, students were given a comprehensive understanding of NSS as a **national service society**, with special emphasis on its motto **“Not Me, But You”**, its historical background, organizational framework, and its role in fostering **leadership, discipline, civic responsibility, and community engagement**. The session also included an introduction to the **MyBharat Portal**, highlighting its importance in structured volunteering and digital recording of service hours. After approximately **one and a half hours**, the programme transitioned into the **recruitment phase**, during which first-year applicants were grouped and interviewed by existing NSS volunteers to assess their interest, commitment, and suitability for social service. The first day recorded **significant participation from the Information Technology and Mechanical Engineering departments** and concluded successfully with enthusiastic student involvement.

Day 2: NSS Orientation Programme – 20 January 2026

The second day of the NSS Orientation Programme was held on **20 January 2026** from **11:00 a.m. to 2:00 p.m.**, maintaining consistency and continuity in planning and execution. The orientation on the second day primarily involved students from the **Electronics and Communication Engineering, Electrical Engineering, and Computer Science and Engineering departments**, along with participants from other branches. Faculty members discussed the **practical dimensions of NSS activities**, emphasizing experiential learning, teamwork, leadership development, ethical responsibility, and disciplined participation. Students were clearly informed about the **expectations, responsibilities, and commitment required of an NSS volunteer**. Following the orientation session, the programme proceeded to the **recruitment and interview phase**, conducted in a **systematic, transparent, and organized manner** by senior NSS volunteers. The second day concluded on a positive and productive note with enthusiastic participation and the successful completion of the volunteer selection process. Overall, the **two-day NSS Orientation Programme** effectively fulfilled its objectives by creating awareness, motivation, and a strong sense of **social responsibility and service-oriented mindset** among newly inducted NSS volunteers. Sessions on both days were efficiently **anchored by Sristy Singh**, ensuring clarity, discipline, and effective coordination.
